Action taken report of Faculty, Alumni, and Employer Feedback on curriculum [2023-24]

The feedback mechanism inside an institution is crucial for enhancing the efficacy of the teaching-learning assessment process and the overall development of the institution. The institution has been focusing on the efficacy of the feedback with this objective in consideration. The Institute and management have implemented all requisite measures to guarantee the effective operation of the academic system. The institute has responded to previous feedback by adding new concepts in the course and enhancing the overall quality of the institution.

On the basis of faculty, alumni, and employer feedback following action is taken

1. The Institute offers comprehensive resources and opportunities for students to engage in hospital and industrial training, equipping them with practical insights into the professional environment. The course will aid students in addressing community health needs and offer them new perspectives on the essential function of chemists in the pharmaceutical industry. There is a rise in activity concerning MOUs and the establishment of new agreements.
2. To enhance alumni interaction annual alumni meet conducted every year to enhance the institute and foster alumni engagement. To ensure the team's effective operation, a proficient group of registered alumni associations already constituted.
3. The Institute convened a specialized cohort of business executives to educate final-year students across several sectors according to their choices. They also offer behavioral competencies for interviews and communication abilities. Consequently, they augmented the curriculum's pharmacy practice segment to facilitate student development.
4. The institute has introduced supplementary courses, including an industry training program, proficient utilization of ICT tools, excellent communication skills, and HPLC & UV techniques. These supplementary programs assist students in understanding the functionality of diverse gadgets and ICT tools, enabling them to interact proficiently and effortlessly.
5. The institute constantly tried to organize faculty development programs with numerous seminars and conferences for the faculty's benefit and financially support faculty members to participate different seminar, fdps outside the institute . To foster a research-oriented environment within the institute, it has resolved to provide financial assistance for faculty members' research initiatives, seminars, and publications. The institute annually provides a faculty tour for the benefit of the faculty.
