Remark:

Date of event	July 19-20 2023
Name of event	Workshop cum training program on Predictive Strategies for Novel Approaches in Drug Design, Development & Interpretation (Discovery new learning inventive)
No. of participants	150
PO/PEO Covered	PO01, PO02, PO04, PO06, PO10

Description: Two days Workshop cum training program on the theme of “Predictive Strategies for Novel Approaches in Drug Design, Development & Interpretation (Discovery new learning inventive)” was held on July 19-20 2023 in seminar room of the GRY Institute of Pharmacy, Borawan.

First day session of workshop started with the prayer of Maa Sraswati followed by the welcome speech by Dr. Sujit Pillai, Principal, GRY Institute of Pharmacy, Borawan.

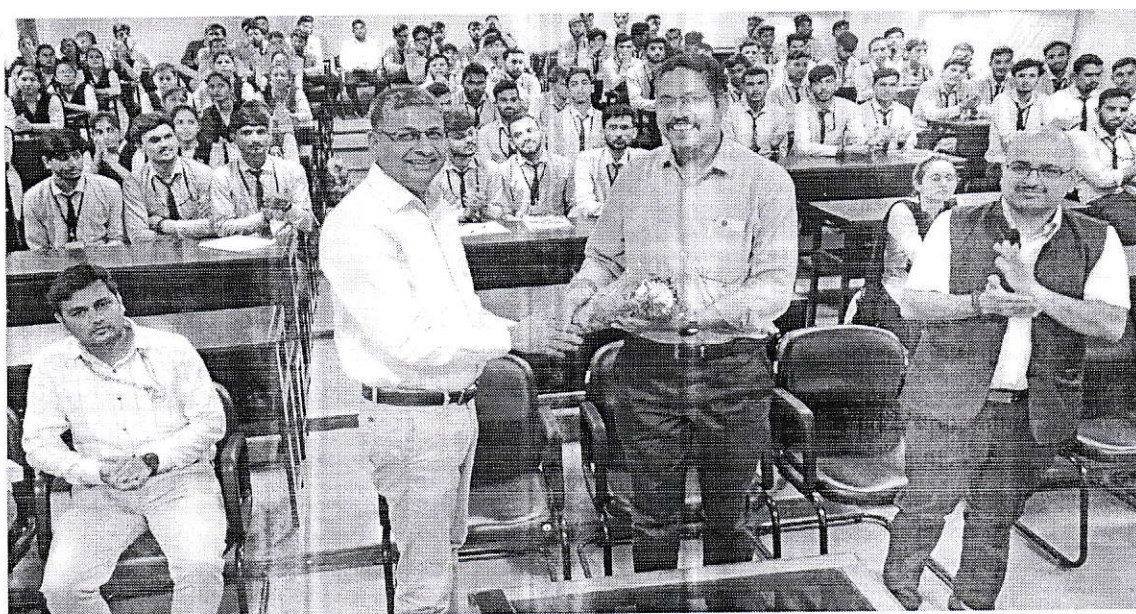

The experts of first session were Dr. Arun Gupta, Principal, Chameli Devi Institute of Pharmacy, Indore & Dr. Raghvendra Dubey, HOI, Institute of Pharmaceutical Sciences, Indore. There lectures was focused on importance of molecular modeling, QSAR study and other computational techniques in industrial prospective and drug repurposing using molecular docking techniques with special reference to COVID 19.

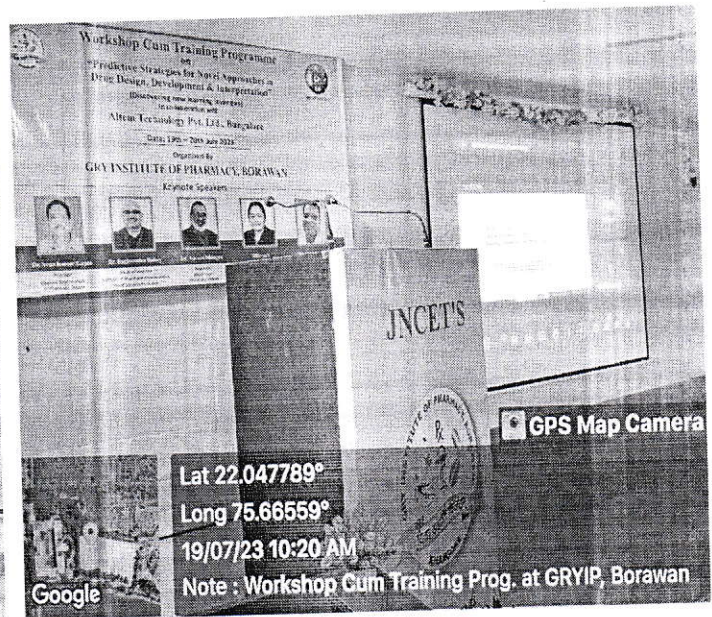

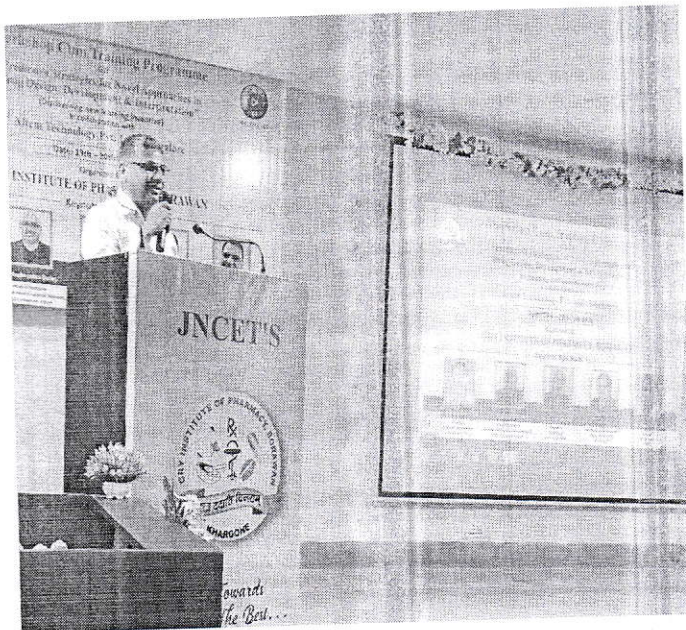

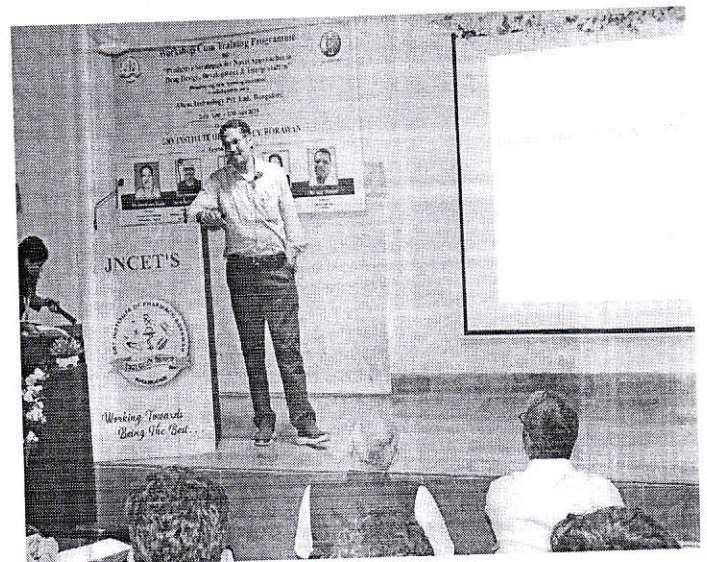

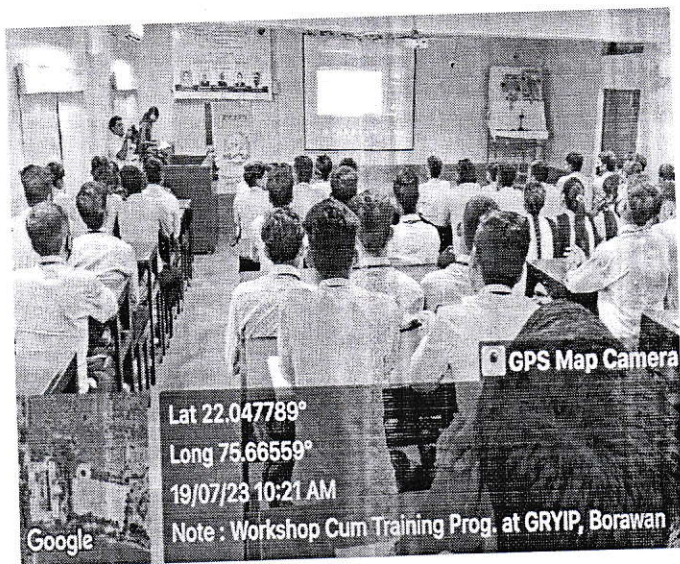

Second session was taken by Dr. Dhivya .S, Sr. Application Scientist, Altem (Biovia Discovery Studio). Her session was online where she demonstrated the simulation of BIOVIA Discovery Studio software. First session of next day was taken by Dr. Navin Dhaingra, Registrar Medi-Caps University, Indore. He emphasizes key points of Molegro virtual docker drug designing software and it's role in Protein 3D structure prediction, validation and 3D-QSAR model generation. Second half was engaged by Mr. Ajay Mahajan, Director, pious Lab. Pvt, Indore. Sir demonstrated molecular structure interpretation through IR, NMR, and Hyphenated techniques.

Participants gave their valuable feedback and shared their experiences about the training. The vote of the thanks

was given by Mr. Nitin Deshmukh, Associate Professor, GRY Institute of Pharmacy, Borawan.
