REPORT

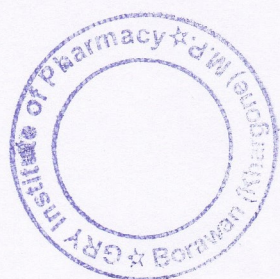

Programmename : Motivational Talk "Youth and Social Responsibility"

Resource Person : Prince Verma, Motivational Speaker, Indore.

Sri Prince Verma, Motivational Speaker, Indore, gave a motivational presentation to B. Pharmacy students on Youth and Social Responsibility at 11 a.m. in the college Seminar Hall. The speaker concentrated on how to use the subconscious mind to attain success. He inspired the students in such a way that they are obligated to society in a variety of ways. They are raised by a family at home, educated at a school, and have access to a variety of amenities that enable them to have a happy existence while also excelling in their studies and careers. They owe a lot to society, and they can help it run better in a variety of ways. He instructed the students to raise health and sanitation awareness so that others not only keep their homes and surroundings clean, but also India. Illnesses and health-related issues would decrease as the environment became cleaner. He warned and educated students about their responsibilities regarding social issues, improper social practises, corruption, and a few other areas where youth can contribute by sharing their new age perspectives. This would aid in the eradication of societal evils and the advancement of India. Students thought that the talk had benefited them greatly following the session.

Name of the Programme: Self Defense Program

Duration of programme: 30 days

Resource Person: Mr. Sapan Sharma And Ashvin Adtiya, Karate Instructor, Tang Soo do Sports Association, Khargone.

From the 13th of December 2021 to the 11th of January 2022, students participated in a Karate programme that taught them self-defense techniques. Mr. Sapan Sharma, the trainer, and Ashvin Adtiya, the karate instructor, led all of the trainees through self-defense skills. The students were all really enthusiastic about the programme. The program's major goal was to make the girls aware of their own latent power to defend themselves against any attack. Self-defense tactics are essential for keeping them safe from such attacks. The trainer presented a variety of self-defense skills. It was also attended by few students. Everyone was taken aback by the trainer's dexterity. Such activities should be held on a regular basis on campus, as they were found to be valuable by students who shared their opinions during the feedback session.
