Date: 01 June 2022

Notice

As per minutes of last academic council meeting, the student's as per attached list will do the project work in VII semester under the respective guide mentioned against student name. Maximum possible research work-based project need to be allotted to the students and the requirements and the approximate expenses the project will cost should be submitted to the academic council before starting of project work by students and should proceed with the work only after approval of submitted project from academic council.

Further the allotted guide should help the student to take up internship either after VI semester or after VII semester as per convenience of guide and student. The report of the internship taken should be submitted to the exam section on completion of internship.

The internship can be taken up by students anytime after VI/VII semester. As it will be difficult for industry to accommodate more students at a time, the guide can send few students for internship after VI semester and few after VII semester.
