Policy for Financial Assistance to teaching staff for Conference /Workshop/FDP

Introduction:

G R Y Institute gives utmost importance to the academic excellence of faculty members. The faculty members are motivated to attend subject based seminar, conference, trainings, short term programmes and work-shops, to gain a deeper knowledge in their respective disciplines. Faculty members are also encouraged to undertake research projects and to enroll in PhD and necessary infrastructure and facilities are provided to the faculty to carry out their research activities. The institute encourages the faculty members to attend national and international level academic meetings to boost their teaching and research potential. The institution firmly believes that the academic and research excellence achieved by the faculty members will benefit the student community and the nation at large. The institute provides financial support to the faculty with a goal of achieving academic and research excellence

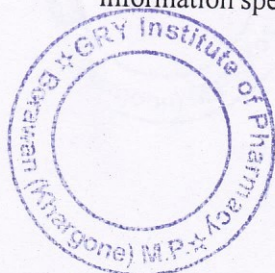

Objectives:

Financial support policy of the Institute has the following objectives:

- Promote the faculty members to attend national and international seminars/conferences/workshops.
- Encourage teachers to present their research work and interact with experts in their respective disciplines.
- Support teachers to take membership in professional bodies.

Policy:

- A faculty can participate annually in two international conferences/ seminars/ FDP and two national conferences /seminars/ FDP.
- Only a confirmed member of the faculty and with a minimum one year of service at Institute is eligible to participate in this conferences/seminars/FDP. However, for the first year of service, a faculty may attend these conferences/seminars with special permission. Such special permission will be granted on condition that if the individual leaves the institute before completing two years of service/ confirmation, he/she shall refund the entire amount incurred by institute for such conferences/seminars.
- All requests for conference/seminar participation / paper presentation will be submitted on a prescribed format (Annexure 1) to the Research Committee. Copies of the abstract and information specifying conference/seminar dates and fees are to be included with the request.

JNCET'S GRY INSTITUTE OF PHARMACY

(Approved by AICTE and PCI; Affiliated to RGPV; Recognized by Govt. of M.P.)
Vidya Vihar, Borawan (Khargone) MP – 451 228
Visit us at: www.gryip.com; Email: principalgry@gmail.com

- The faculty concerned when permitted to attend conference/Seminar/FDP should share job responsibility and get it signed by academic in-charge.
- The Institute will bear/reimburse the full/part expenditures for registration, travel, daily allowance, lodging costs and local conveyance associated with the conference/seminar as per Institute rules on travel entitlements subject to the condition that any part of the expenses/costs are not paid for by any other agency.
- The number of days for travel entitlements will include the number of days of the conference/seminar actually attended and additional day(s) as necessary to reach the conference/seminar venue or departing after the conference/seminar.
- The faculty applied for attending conference/seminar abroad will need to obtain travel grant from funding agency like AICTE/DST/MPCST or others.
- In case attending a conference/seminar does not require any financial support from the Institute such as, through external funding or drawn from an individual's research/faculty development schemes, the same may be permitted provided the workload is shared and adjusted.
- Faculty need to submit copy of certificate/ award received post conference to the research committee.
- The institute-funded conference/seminar participation entitlements are subject to the condition that there will not be any effect on the individual's availability for institutional academic activities.
- The leave application for attending conferences/seminars is to be made in a prescribed form available with the Principal's office

CENTRAL REGIONAL OFFICE

ALL INDIA COUNCIL FOR TECHNICAL EDUCATION
(A STATUTORY BODY OF GOVERNMENT OF INDIA)

F.No. AICTE/CRO/BPL/Workshop/FDP/2018-19/195

Date :29/06/2018

Revised - Date

To
The Director/ Principal
[Region/State -Madhya Pradesh State]

Subject: Invitation to depute faculty members to attend 3 days Faculty Development Program (FDP) for Student Induction Program for AICTE approved institutions.

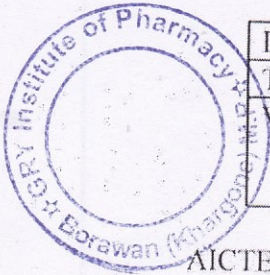

Dear Sir/ Madam,

AICTE in its 49th meeting of the Council held on 14th March, 2017 approved a package of measures for improving quality of technical education in the country wherein it was decided that *every student, on admission, shall be put through a mandatory Induction program to reinforce the fundamental concepts and the required language skills required for the technical education.*

Accordingly, a three-week mandatory induction program for students has been designed by Prof. Rajeev Sangal, Director, IIT(BHU) and his team to be offered right at the commencement of the first year and classes will begin after this induction program. Its purpose is to make the students feel comfortable in their new environment, set a healthy daily routine, create bonding in the batch as well as between faculty and students. The induction program is now a part of the model curriculum of Undergraduate Studies in Engineering & Technology launched by **Shri Prakash Javadekar Ji**, Hon^{ble} Minister of HRD during a conference on 'Quality Initiatives in Technical Education' on 24th January, 2018 at AICTE, New Delhi ad available on AICTE website. It has already been requested to all universities/ institutions to adopt the model curriculum from the forthcoming academic session 2018-19.

As the induction program is made mandatory for every student, it is of utmost importance that the faculty members/ teachers are equipped and refreshed to conduct the induction program for students. Therefore, 3 days **Faculty Development Program for Student Induction Program for AICTE approved institutions** is organized by AICTE as per the following details:

Date	4 th June to 6 th June, 2018
Time	11:00 AM to 06:00 PM
Venue	Shri G. S. Institute of Technology and Science 23, Sir M. Visvesvaraya Marg, Vallabh Nagar, Indore, Madhya Pradesh 452003

Dee
Principal,

GRY. Institute Of Pharmacy
BORAWAN (KHARGONE) 451 228

AICTE invites nomination of your faculty members (3 to 5 faculty members of each institute) to attend this FDP, so that they are able to conduct mandatory student induction at your institute. These trained faculty members after successful completion of two FDPs (One 3-day FDP followed by 7-day FDP) may further involve other faculty of the institute and provide training for them. These faculty members will be member of Institute Induction Program Cell (IIPC). The IIPC will be responsible for actively and successful implementation of three-weeks mandatory student induction program. Therefore, you are requested to nominate faculties from your institution for the FDP at the email-id of the local

2017-18
6.3.2.
Y (6-3-17)

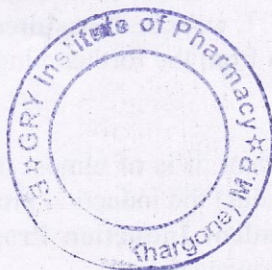

organizer and the participation will be subject to confirmation from AICTE/ State Academic coordinator / local organizer. Induction program is very necessary for the quality education and benefit of the students. Therefore, again requested to kindly ensure for participation of faculties from your institution at any one of the above venue.

The following points are also informed:

1. The travel cost of participants attending the workshop will be borne by the concerned institution itself.
2. The cost of food (morning tea & biscuits, working lunch and dinner) during the workshop to be borne by AICTE/authorized Regional Office of AICTE.
3. The stay in guest house/ hostels for the participants should preferably be near to the venue of the workshop and the entitlement for reimbursement for accommodation will be to a maximum limit of Rs. 800/- per night (for 3 nights / 7 nights) as per the workshop.

Regarding accommodation or any other assistance, if required, the Local Organizer mentioned below may please be contacted:

- Name : Dr. P.P.Bansod, Coordinator
- Institute Name: Shri G. S. Institute of Technology and Science, Indore (M.P.)
- Email: ppbansod43@gmail.com

About us

Swami Vivekanand College of Pharmacy was established by Swami Vivekanand Takniki Sansthan, Indore in the year 2004. The college is approved by PCI, New Delhi, AICTE, New Delhi, affiliated to RGPV, Bhopal and recognized by Directorate of Technical Education, Govt. of Madhya Pradesh and ISO 9001-2008 certified. Spread over a lush green campus of 25 acres of land.

About PCI

The Pharmacy education and profession in India is regulated by PCI which is statutory governing body as per the provisions of Pharmacy Act 1948. The PCI is striving hard for excellence in the field of pharmacy by regulating the pharmacy education at diploma, degree and Post-graduation level. To ensure that Pharmacy teachers remain updated with current trends in Pharmaceutical Sciences, it has come up with Continuing Education Programme for teachers. CEP aims to provide continuing pharmacy education activities designed to meet the requirements of the pharmacy teachers to enhance competency and knowledge in pharmaceutical advancement. In this CEP lights will be thrown on emerging field in pharmaceutical science like Pharmacogenomics, Pharmacovigilance, Clinical trials, Medical writing, Artificial intelligence, Community Pharmacy, Patient counseling and innovation in teaching, learning & research.

Inaugural function shall be graced by

Chief Guest

Dr. Shailendra Saraf

Vice President, Pharmacy Council of India, New Delhi
Vice Chancellor, Hemchand Yadav Vishwavidyalaya, Durg (C.G.), India

Guest of Honor

Dr. V.K. Dixit

Retd. Professor,
Dr. H.S. Gour University, Sagar (M.P.), India

Guest of Honor

Dr. Swarnlata Saraf

Vice-President, APTI, Central Region
Dean, Faculty of Pharmacy

About IPS Academy College of Pharmacy

In this dynamic world, technology plays a significant role in the leading paradigm. IPS Academy College of Pharmacy, Indore (Madhya Pradesh) India, is one of the leading institute in central India, where highly competent professionals are produced who are capable of performing as leaders rather than followers. The fabric of the words has not been woven overnight. It is the result of meticulous planning and execution spreading over a time span of more than 20 years.

Education is a light that shows mankind the right direction. The traditional "chalk and talk" method of teaching is revolutionized with modern, innovative teaching methods.

The purpose of the FDP is to motivate, develop and update existing faculty members for improving their teaching skills which in turn will be beneficial for upcoming budding pharmacists. The programme intends to instill skills within the faculty members, which will foster independent thinking and creativity through experimental/pedagogical activities. This FDP is aimed at sharpening the teaching and research skills of potential, new and seasoned teachers, researchers and trainers. It will also bring opportunities to develop research projects and simultaneously build capacity in the education

Programme Objective:

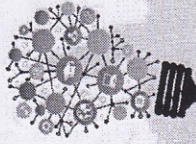

The major objective of the FDP is upgrading the teaching, research and management skills of pharmacy teachers through scientifically validated and ICT based teaching-learning process. The program enables participants to develop competency in general teaching-learning process as well as in research and pedagogy.

Important Course Content:

- Innovative teaching skills and practices.
- Planning and strategy in teaching-learning process.
- Impact of social reforms on teaching-learning processes.
- Technological advancement in teaching-learning processes.
- ICT based teaching-learning.
- E-learning.
- Research methodology, plagiarism and publications in 21st century.

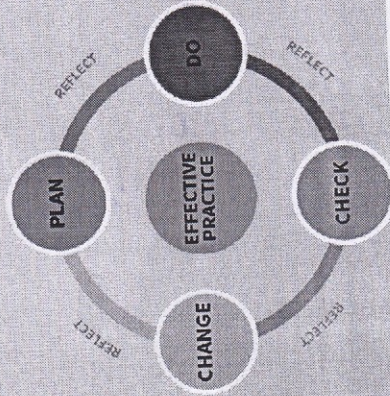

Methodology:

- Lectures, discussions, role play, Games, brain storming and simulations.
- Presentation and Interaction.
- Assignment both to individuals as well as to the groups.
- Workshops.

Resource persons:

Experts from Education, Industry and Profession.

CHAMELI DEVI INSTITUTE OF PHARMACY,
 KHANDWA ROAD, INDORE, M.P. 491228

CHAMELIDEVI INSTITUTE OF PHARMACY

Chameli Devi Institute of Pharmacy is playing a significant role in the holistic development of young professionals in addition to bridging the gap between all levels of quality education. The institute has a greater responsibility of making the student fraternity to be competent at National and International levels.

SYMPOSIUM AT A GLANCE

Radiotracers have a wide range of application due to two unique features: a high level of detection sensitivity, and an ability to integrate into living systems. These features make the use of radiotracers particularly useful for studying the dynamic processes that comprise metabolic activity. Proposed symposium can help in development and evolution of an enhancement strategy to improve the level of quality and use of tracer techniques in our country. The aim of the symposium is to make pharmacy professionals and related people aware of advanced technologies in healthcare.

OBJECTIVE

The main objective of the seminar is to provide an interactive forum for expressive exchange of information on radiotracer techniques by renowned personalities from across the country. It is a platform for students, young researchers, academicians and scientists to exchange knowledge by sharing recent research and development in the field of tracer technologies in healthcare of plants and animals.

TOPICS TO BE COVERED

- ⇒ Principle of tracer technology
- ⇒ Isotopic tracers in biomedical applications
- ⇒ Isotopes used as tracers
- ⇒ Design of tracer strategy
- ⇒ Tracer sampling and sample transportation to analytical laboratory
- ⇒ Applications of radiotracer in plant biology

CALL FOR ABSTRACT

The scientific committee cordially invites the scientific papers for poster presentation (seminar_cdip@cdgi.edu.in). A registered delegate can present only one paper, however he/she could be co-author in more than one paper. Abstracts should not be more than 250 words. Font type: Times New Roman Font Size: Title (36 pt.), Bold Abstract (24 pt.), normal, including corresponding author email address and postal address. Presenting author should mark his/her name with asterisk or underlined. The poster size should be 2x3 Feet. Proceedings of symposium will be published in reputed scientific journal.

REGISTRATION

Participants are required to send / deposit their duly signed registration form along with registration fees through Cash/ Direct bank transfer latest by 28 January 2020.

Delegates Category	Registration Fee (in Rs)	
	Until 28.01.2020	On the Spot
