The IQAC follows all the guidelines set by NAAC, keeping in mind below key points:

- The guidelines will guide and facilitate the institution in the creation and operation of the Internal Quality Assurance Cell (IQAC).
- The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives.
- Its success depends upon the sense of belongingness and participation it can inculcate in all the constituents of the institution.
- It will not be yet another hierarchical structure or a record-keeping exercise in the institution.
- It will be a facilitative and participative voluntary system/unit/organ of the institution.
- It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies to remove deficiencies and enhance quality like the "Quality Circles" in industries.

Formation of Internal Quality Assurance Cell (IQAC)

The IQAC cell is the important cell of the Institute for quality improvement. According to the guidelines given by NAAC, our college established Internal Quality Assurance Cell (IQAC).

Presently **Mr. Rampal Mandloi is working as a coordinator of IQAC**. Various policies related to quality education, ICT facilities and other academic development were created and executed through IQAC. The IQAC Committee has been formed as per NAAC recommendations for IQAC Constitution. Our IQAC is a full functioning body.

IQAC has defined Quality Objectives as:

1. To aim for being a 'Institute with Excellence'
2. To achieve academic and administrative excellence.
3. Creating a student-centric atmosphere for holistic learning.
4. To develop stronger Industry-Academia relation for benefit of staff and students.
5. To promote Interdisciplinary and collaborative research.
6. To enhance the quality of staff by promoting and encouraging overall faculty development.
7. To enhance Infrastructure for Teaching-Learning and Administration.
8. Continuous improvement in teaching-learning and evaluation.
9. Use of latest technology for the betterment of students.
10. Social affairs and their impact on education.
11. Institutional Social responsibility.
12. Appropriate decision-making.
13. Effective implementation of the plans.
