Annual Gender Sensitization Action Plan

GRY IP, Borawan, has been conducting Gender Equity and Sensitization Programs over the past 5 years and plans to continue doing various gender sensitization programmes in the next years.

- Women's safety and security
- Women's rights
- Self-defense workshops
- Gender equity and sensitization seminars
- Leadership skills, and health and nutrition education for rural women

are among the themes covered.

- When students have the opportunity to plan and arrange Teacher's Day, Fresher's Day, and Farewell Day, they demonstrate their organisational and leadership skills.
- Staff and students attend workshops, seminars, and conferences at the state, national, and worldwide levels, where they submit scientific papers.
- Students have numerous opportunities to participate in co-curricular and extracurricular activities both on and off campus.
- Industrial visits and tours are part of the institution's annual schedule.
- Students are introduced to professional pharmacist and clinical pharmacist duties through health awareness programmes and health camps for the general public and rural womens.
- Yoga and Karate classes help them to improve their physical and mental strength.
- Awareness Programs and contests on social evils and women's concerns (elocution, essay writing, debate, painting, rangoli, and face painting) empower, equip, and allow them to make life-altering decisions because the topics for competitions expose them to a variety of issues in society.

REPORT

Programme name : Motivational Talk

Resource Person : Dr. Nishant Dubey

Date: 21/08/2023

Venue: GRYIP, Borawan

Dr. Nishant Dubey, Principal, MBA, JIT, Borawan gave a motivational presentation to B. Pharmacy students at 1 p.m. in the college Seminar Hall. The speaker concentrated on how to use the subconscious mind to attain success. He inspired the students in such a way that they are obligated to society in a variety of ways. They are raised by a family at home, educated at a school, and have access to a variety of amenities that enable them to have a happy existence while also excelling in their studies and careers. They owe a lot to society, and they can help it run better in a variety of ways. He instructed the students to raise health and sanitation awareness so that others not only keep their homes and surroundings clean, but also India. Illnesses and health-related issues would decrease as the environment became cleaner. He warned and educated students about their responsibilities regarding social issues, improper social practises, corruption, and a few other areas where youth can contribute by sharing their new age perspectives. This would aid in the eradication of societal evils and the advancement of India. Students thought that the talk had benefited them greatly following the session.

REPORT

Name of the Programme: Self Defense Program

Duration of programme: 30 days

Resource Person: Mr.Sapan Sharma And Ashvin Adtiya, Karate Instructor, Tang Soo do Sports Association , Khargone.

Students that took part in a Karate program from December 26, 2023, to January 24, 2024, learned self-defense skills. The karate instructor Ashvin Adtiya and the trainer Mr. Sapan Sharma guided each pupil through the fundamentals of self-defense. Every kid had a great deal of enthusiasm for the program. The girls' awareness of their own innate ability to defend themselves against any attack was the program's main objective. Developing self-defense skills is crucial to protecting them from these kinds of assaults. The instructor demonstrated a range of self-defense techniques. Not many students attended it either. The trainer's dexterity surprised everyone. Students that participated in these events felt that they were beneficial, hence they ought to be held frequently on campus.
