Agenda No.1: To confirm the minutes of meeting of academic council held on 26/09/2023.

Resolution No. 1: The members having gone through the compliance report on the resolutions passed by the academic council at its meeting 26/09/2023.

Agenda No.2: To Approval of research proposal for financial assistance:

Resolution No. 2: This time five research proposals were submitted by Mr. Narendra Badore, Dr. Prabhat Kumar Das and Mrs. Mohini Patidar for approval. Mr. Narendra Badore is going to communicate for the two Scopus indexed journals i.e. Indian Journal of Traditional Knowledge and Asian Pacific Journal of tropical Biomedicine. Dr. Prabhat Kumar Das is going to submit his only article for the International Journal of Pharmaceutical Sciences and Drug Research, a UGC

care indexed journal. The committee is very concerned about whether or not Mrs. Mohini Patidar's two articles in the Journal of Chemical Health Risks are included in the Scopus database, and they have asked her for clarification. Meanwhile her articles and journal were being examined in the interim, and three other articles by faculty members were approved for communication after the appropriate revisions and suggestions.

Agenda No. 3: Regularize Add on Programme for B. Pharm students:

Resolution No. 3: Different departments have offered UG students add-on programs in an effort to improve the quality of their education. In order to increase its effectiveness, the committee recommended making it mandatory for every student enrolled in that semester and encouraging both inside and outside of the institution to participate in institute add-ons.

Agenda No. 4: To improvise library hours for students and faculties:

Resolution No. 4: Committee mandated library hour for faculty and students in order to raise awareness of the institute's library among educators and learners. This committee asked faculty members to encourage students to switch from sports hour to library hours and to spend an hour in the library every week.

Agenda No. 5: Installation of sound systems in all class rooms for audio visual interactions:

Resolution No. 5: An audiovisual system in the classroom is required to enhance the quality of the teaching and learning process. Each classroom must have a sound system and adequate connectivity installed in order for students to benefit from this resource and acquire the necessary knowledge. The committee thus granted its approval to equip every institute classroom with a sound system and internet access.
